The screenshot shows the Piazza website homepage. At the top, there is a navigation bar with the Piazza logo, links for Product, In Professors' Words, Support, About Us, and Piazza Talent, and buttons for Sign Up and Login. The main heading reads "The incredibly easy, completely free Q&A platform" followed by the subtext "Save time and help students learn using the power of community". Below this is a laptop displaying the Piazza interface. To the right of the laptop, a list of features is provided. At the bottom, there are three buttons: "Students Get Started" (highlighted with a red box and a red arrow), "Professors and TAs Get Started", and "View a Real Class".

## Step2. 학교 등록

### Select Your School

You can create your school if it does not already exist

#### Welcome to Piazza!

**Piazza is a free platform** for instructors to efficiently manage class Q&A. Students can post questions and collaborate to edit responses to these questions. Instructors can also answer questions, endorse student answers, and edit or delete any posted content.

Piazza is designed to simulate real class discussion. It aims to get high quality answers to difficult questions, fast!

**The name Piazza** comes from the Italian word for plaza--a common city square where people can come together to share knowledge and ideas. We strive to recreate that communal atmosphere among students and instructors.

The screenshot displays the Piazza Q&A platform interface. The top navigation bar includes the Piazza logo, a course identifier 'GEK 10109', and tabs for 'Q & A', 'Resources', 'Statistics', and 'Manage Class'. A search bar and user profile 'TA\_이원빈' are also visible. The left sidebar shows a 'Pinned' section with a post titled 'Do the first things first during the first week:' and a 'Today' section with posts about office hours and course welcome. The main content area shows the details of the pinned post, which lists five tasks for the first week: joining Piazza, installing GitHub Desktop, installing Anaconda, reading README and Getting Started files, and reviewing KMOOC Week 1 materials. The post is tagged 'logistics' and has 6 views. Below the post, there is a section for 'followup discussions' with a text input field for composing a new discussion.
